

A Sweet Century at Bredenbeck's Bakery

Bredenbeck's Bakery has been serving sweet confections to customers in Philadelphia and beyond since 1889. Bredenbeck's is a full line scratch bakery specializing in custom design cakes, your favorite classic pastries, and many more sweet treats!

The original Bredenbeck's was opened in 1889 in Philadelphia's Northern Liberties neighborhood by Frederick Robert Bredenbeck, an immigrant baker from Bavaria. In 1954, the Bredenbeck family handed the bakery to two long time employees, Walter and Otto Haug.

Thirty years later, Walter Haug's daughter Karen opened Bredenbeck's Chestnut Hill location. Karen has since established Bredenbeck's as one of the most well-known and well-respected bakeries in the greater Philadelphia area.

In 2022, the tradition was passed down to Karen's sons Jacob and Irvin Boyd. As fourth generation owners, they share their family's passion for sweets, treats and serving the Chestnut Hill community. We look forward to many more years of baking and celebrating with you!
